Part V, line 4:

Aspire's Board of Directors established an endowment fund for the purpose of providing an alternative source of income for Aspire's operations which would ultimately benefit its participants. Aspire's Board may determine whether income, if any, will be distributed from the endowment fund, and maintains broad discretion to direct such funds to current operations, capital expenditures or new programs. Under extraordinary circumstances, the endowment fund's corpus also may be designated by the Board to fund any part of Aspire's operations. No such transfers have been authorized since the fund's inception.

Part X, Line 2:

Part XIII Supplemental Information (continued)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, Aspire may recognize the tax benefit from an uncertain tax position only if it is more than likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of Aspire and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in the consolidated financial statements.
