Subject: Join me and Aspire this Giving Tuesday

Dear <First Name>,

This time of year always makes me think about the needs—and the strength—of our community. That's why **Giving Tuesday holds such a special place in my heart.** It's a global day of generosity that brings us together to support the causes we care about and the people who inspire us every day.

I'm celebrating **Giving Tuesday by supporting Aspire**, a nonprofit near and dear to my heart. Aspire empowers people with disabilities and uplifts the families who love them—helping each person find independence, connection, and belonging. From safe homes and meaningful jobs to inclusive learning opportunities, Aspire creates ripples of hope that reach entire families.

This Giving Tuesday, your gift can **bring comfort, pride, and peace of mind** to parents, siblings, and caregivers who know their loved one is supported and thriving.

I'm looking for **XX people** to donate **\$XX** so Aspire can reach their goal and share their mission of **Uplifting Families, Inspiring Hope** with hundreds of new people on **December 2.**

Will you join me in creating a ripple of hope this Giving Tuesday?
