Subject: Join me and Aspire this Giving Tuesday!

Dear <First Name>,

This time of year always reminds me how much the little moments in life matter. A new skill learned, a friendship formed, or the confidence to take the next step can open the door to something extraordinary. That's why #GivingTuesday holds such a special place in my heart.

It's a day when we can come together to make more of those moments possible.

On December 1st, I'm celebrating #GivingTuesday by supporting Aspire, a nonprofit near and dear to my heart. Aspire works alongside people with disabilities as they build confidence, strengthen connections, grow their independence, and pursue what matters most to them. From finding meaningful employment to discovering new passions and building a place to call home, every opportunity helps create ***The Foundation for Possibility.***

This #GivingTuesday, your generosity can help turn everyday moments into the foundation for what's possible next. Together, we can create more opportunities for people with disabilities to live well, celebrate their strengths, and pursue their dreams.

Donate here: onecau.se/aspiregt

I'm looking for XX people to give $XX to help Aspire reach its #GivingTuesday goal and bring more possibilities to life.

Will you join me in building the foundation for possibility this #GivingTuesday?

Thank you for being part of a community that believes everyone deserves the opportunity to thrive.

Follow Aspire's social media channels below to join the generosity movement.
