I Donated Post:

I just supported Aspire (@aspire_chi) for #GivingTuesday, and I'm proud to help build The Foundation for Possibility! 💙

Every new skill, meaningful friendship, and personal milestone helps create a stronger foundation for people with disabilities to pursue their goals and live life on their own terms.

Today, I'm joining a community that believes everyone deserves the opportunity to grow, connect, and thrive.

If you're able, I'd love for you to join me! Every gift, big or small, helps create more moments that matter and opens doors to what's possible next.

Sam's Post:

Sometimes, the biggest possibilities begin with the courage to try something new! 💃

This #GivingTuesday, I'm proud to support Sam and the confidence she's built through dance at Aspire (@aspire_chi).

What started with Sam dancing in the back corner has grown into solo performances, new friendships, and opportunities to share her creativity through costumes, props, and art projects. Today, she's not just stepping into the spotlight, she's discovering new ways to contribute and express herself.

Sam's story reminds us that when people have the opportunity to explore what they love, there's no telling what they might discover about themselves.

Every gift helps create more opportunities for people with disabilities to build confidence, celebrate their strengths, and pursue their passions.

Mark's Post:

Sometimes, a stronger foundation for health can open the door to a whole new world of possibilities. 💙

This #GivingTuesday, I'm proud to support Mark and the life he's building at Aspire (@aspire_chi).

After years of health challenges and isolation, Mark found a home where his well-being, independence, and personal choices could take center stage. With the right support for his health, he's now enjoying more of what he loves: dancing, spending time with friends, and taking an active role in everyday life.

His sister, Jennifer, says she's never seen him smile as much as he does today!

Mark's story is a beautiful reminder that everyone deserves the opportunity to live well and find joy in the moments that matter.

This Giving Tuesday, every gift helps create stronger foundations for health, independence, connection, and possibility.

Cyril's Post:

Big dreams start with a strong foundation, and Cyril has plenty of dreams worth chasing! 🌟

This #GivingTuesday, I'm proud to support Cyril as he builds the skills and confidence to pursue his future with Aspire (@aspire_chi).

With a love for performing and a natural talent for connecting with people, Cyril discovered that welcoming restaurant guests might be the perfect role for him. Through Aspire's Food Services Employment Training Program, he strengthened his workplace skills and is now putting them into practice during an internship at Beatrix.

But Cyril's dreams don't stop there! He hopes to have a home of his own, continue performing, and maybe even open a restaurant someday.

His story reminds us that every new skill and opportunity can become the foundation for something greater.

Your support this Giving Tuesday helps people with disabilities build confidence, discover their strengths, and take meaningful steps toward their goals.
